FOOD EDITOR JANE CURRAN ON WHAT'S HOT AND TASTY FOR 2008

## FLAVOURS OF SPAIN

For fashionable Spanish food with a difference, we loved this new site, [www.flavoursofspain.co.uk](http://www.flavoursofspain.co.uk)

(or call 0870-3302879).

Several of its products won gold at the Great Taste awards, and the smoked mackerel in olive oil is delicious. We couldn't stop eating the salted almonds, either.
